- Are not afraid of bad weather as we spend time outside no matter what.
- Your travel time between the day care and your home is under 40 minutes.

When we're all old and grey and sitting in our rocking chairs, we want to be able to look back and be really proud of what we helped to create. We think the best way of achieving this is by living the values that are close to our hearts.

- Be **NATURAL** in how we treat each other and how we speak to everyone - colleagues, children, parents, suppliers, etc. It also means being the best version of ourselves.
- Be **ENTREPRENEURIAL**; Little Green House is small and incredibly dynamic. We aren't afraid to do things differently or to come up with new ideas.
- Be **RESPONSIBLE**; we walk the talk, are mindful of our impact on our community and our environment, and always try to leave things a little bit better than we found them.

If you are full of energy and great ideas, if you are a born optimist with experience in early education and childcare, if you want to do something meaningful every day, then you should join us!

*Nous aimerions que les enfants de
Little Green House deviennent d'*
